Most of our immersions will either provide you with a manual, outline or book you can print, access electronically or purchase. There are also required books for many of our immersions. The required books range in cost from 10-\$20.00 and are listed on the website.

Yoga Therapy Administration/Practicum Fee :

An administration/practicum fee of \$500.00 is due prior to receipt of a 500 Hour Yoga Alliance with specialization in Yoga Therapeutics certificate. REFUND POLICY:

- .Please note that refunds are not available unless an event is canceled or moved to a different region than originally planned, in which case a full refund would be provided. To explain, a minimum number of participants are required in order to hold any immersion. Once we feel confident that this number will be met, we move forward with the administrative process of reserving a facility to hold the immersion and often times reserving a non-refundable plane ticket for instructors from out of town. As such, we rely on all registrations to assure that all costs are met and that minimum pay for the instructor is also met.
- In rare cases, and only in cases in which we have first met the minimum required to hold an immersion, we may allow a transfer of payment to another immersion. However, a fee of \$50 will be charged to transfer any payments approved to another immersion. Again, please note that ANY transfers must first be approved and we are under no obligation to allow these transfers.
