# Teeki Active Wear ~ Love the Earth.....

## **Why Teeki?** *Price, Quality, & Sustainability!*

We're excited to offer **Teeki** Active Wear, a California based boutique designer utilizing the same manufacturer as LuLu Lemon, but offering their designer apparel at close to **half the price**. For example, Teeki pants retail for \$50 as compared to LuLu Lemon at \$100. Teeki also offers the same **designer features** consumers appreciate in quality designer activewear including flat, comfortable, durable seams; 4-way stretch material; reversible options; breathable, moisture-wicking fabrics; built-in key pockets; and many fun prints and colors!

**Support recycling** and the environment while you shop! Teeki uses P.E.T. or recycled water bottles as one of the main materials in its active wear. With each pair of pants you purchase YOU will recycle 18 to 30 water bottles! Look fabulous externally while feeling great internally!

TEEKI is an active wear line MADE FROM RECYCLED PLASTIC and sustainable materials all PRODUCED within the STATES using SOLAR POWERED facilities! Teeki's passion is to provide the world with eco friendly, timeless, forward fashion.
